

Sage Abra Benefits Enrollment

Save countless hours and piles of paperwork by moving benefits open enrollment online. Sage Abra Benefits Enrollment takes the powerful benefits management solution of Abra HR to the next level by empowering employees to make their own benefits elections through the Internet or intranet. Easy, step-by-step wizards guide administrators through the benefit plan set-up process, and walk employees through open enrollment. Abra Benefits Enrollment even includes year-round life events management that allows employees to update information such as marital status and dependents.

Abra Benefits Enrollment can provide invaluable cost and time savings for any organization. It saves paper and postage fees by eliminating the need for printed documents, and significantly reduces time delays due to manual processing by having employees enter their own benefit elections. It can even increase employee satisfaction by giving everyone full and detailed 24/7 access to benefit plans, and including links to providers who often answer key benefits questions on their Web sites. Finally, when combined with Abra HR, it provides a powerful, reliable, secure, and complete benefits management solution for any mid-sized organization.

From developing innovative products to providing award-winning customer support, Sage Software is dedicated to surpassing your expectations. Rest assured our software is supported by a nationwide network of Certified Business Partners who are your resource for implementation, training, service, and support.
